Welcome to Ormiston Christian Faith Church!

This morning Pastor Paul will speak on week 2 of our vision. How do you see our church this year? What type of church do you want it to be?

## News

### Christmas lights 2009 project:

This year we will be hosting a Christmas Lights display at the church along with Christmas Carols and nativity scene. Adam Carey will be the mastermind behind the lights display, and has already supplied a massive Christmas wreath that will be the centre piece and will be placed on the roof. This will be an opportunity to reach out to the community with the message of Jesus!

### Loaves and Fishes:

Our kitchen funds is steadily increasing, and we hope to be able to begin construction soon. Thanks to everyone for the continuing support for this project.

### Our mower is just hanging in there . . .

Our trusty lawn mower is nearing the end of its useful life. The mower requires almost as much time in maintenance as it takes to mow the grass, so it's time to think about a replacement. As we have such a large property to mow, we're planning to replace it with a newer model ride-on mower at a cost of about \$2500-\$3000 dollars. If you would like to support this project please see Pastor Paul or put any donations in an envelope marked "new mower". Once again, thanks for the support!

## SUNDAY NIGHT MEETINGS ARE BACK!

From February we will be having regular Sunday evening meetings.

These meetings will be a mixture of Bible teaching, prayer, worship, soaking and whatever else God leads us to do.

Be warned! This year we are expecting God to turn-up, so be ready for a move of God! See the newsletters or web site for more details!

# Fresh vision for 2009

2009: YEAR OF VISITATION

investing in **PEOPLE**

experiencing God's **PRESENCE** every day

seeing God's **POWER** transform people's lives

## Our vision for 2009:

### Investing in People:

Demonstrate an uncommon spirit to people around you. Be generous & open. Listen to them, pray for them and connect with them; & invite them to church!  
Serve people by helping them.

### Experiencing God's presence:

Can you spare just 20 minutes every day? Spending time with God speaking to Him or worshipping Him! Time in His presence will change your life. When you experience God share it with other people! Every person deserves to experience the presence of God in their lives . . . And not just in church!

### Seeing the power of God to transform lives:

Every vision needs faith. Expect God's power to work every day in every way! This is our year of visitation! This visitation will be a time where God's power will be evident to everyone in acts of healing and wholeness and undeniable miracles.
